

Step 1

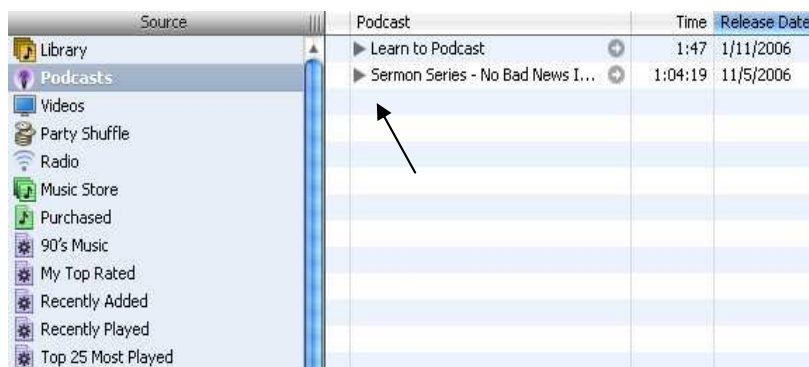

When you click on the link from the website, it will open up iTunes and take you to this page in the iTunes Store.

You must click on the SUBSCRIBE button which will then open up the next window.

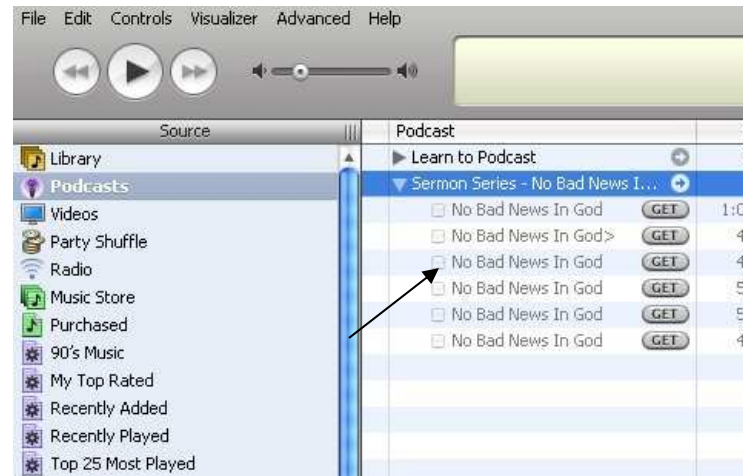

Step 2

You will see the file to the right with a triangle next to it. Click on the triangle and each episode in the series will appear.

Step 3

After clicking the Triangle each episode appears. Click on the "Get" Button for each episode you wish to download.

Step 4

Drag and drop the file you wish to listen to into your iPod.
