

VIDEO– What Albert Einstein Wished He Knew 1.5 mins

SLIDE - Einstein wrote,

“Our situation on this earth seems strange. Every one of us appears here involuntarily, and uninvited... for a short stay... without knowing why. To me it is enough to wonder at the secrets.”

- Einstein, one of the most intelligent men of our time, admitted **HE WAS STUMPED** . . . that **HE DIDN'T KNOW THE ORIGIN OR MEANING OF LIFE.**

...That IT WAS ENOUGH to WONDER at the SECRETS.

- But I bet, Einstein would have loved to have known the **origin of the universe!**
- Today . . . **We're going to find out answers . . . Einstein didn't even know.**
- **5 years of University as an ATHEIST/EVOLUTIONIST**
- **I BOUGHT IT COMPLETELY!**
- Now, **Frankly, for me it's FUNNY...it's LAUGHABLE.**

SLIDE – Evolution Definition

The theoretical process by which all species develop from earlier forms of life.

SLIDE – Creation Definition

The act of God that, according to the Bible, brought the universe and all living beings into existence.

- I once read one of the funniest statements in a National Geographic . . .

SLIDE – National Geographic

“Some 4.6 billion years ago a cloud of dust condensed into planet Earth...

- If you've not seen dust condense into a planet...it's an amazing experience (i.e. “Magic dust”)

SLIDE - National Geographic

“...which soon turned molten from meteorite impacts and radioactive decay.”

(i.e. “It's like a BAD 1950's sci-fi movie!”)

Q. *We came from a cloud of dust?*

Q. We came from a “big bang” (a big explosion) But...

- **Explosions don't create order.**
- **Adding billions of years doesn't make the impossible . . . possible.**
- I've been in that room before: (***“Giant Meteors & they turned Molten, man! & “Radioactive Stuff!”***)
- An article in **Time Magazine reveals changes in the scientific community.**

SLIDE – Entitled: **“Evolution's Big Bang”**

“New discoveries show that life as we know it began in an amazing biological frenzy that changed the planet almost overnight.”

- The Hubble telescope has photographed **BILLIONS OF FULLY FORMED GALAXIES** in deep space.

- Millions of LIGHT YEARS AWAY!
- GIGANTIC GALAXIES DON'T EVOLVE anymore than human beings!

SLIDE - The Giants of the Animal World by Benjamin Bova

"The Earth was born about 5 billion years ago. Scientists are not certain of just how it happened, but they believe that life began about 2 billion years ago in the shallow waters off an unknown seacoast. A group of atoms came together in a very certain way.

- "scientists are not certain"
- "but they believe"
- "a very certain way"
- ATOMS WITH PURPOSE . . . that's good!
- I've ALWAYS BEEN CONCERNED about "DIRECTIONLESS ATOMS!"
- You find ATOMS that are OUT of control . . . I mean that's LIKE CANCER.

SLIDE - The Giants of the Animal World by Benjamin Bova

"They formed a new type of molecule - a giant molecule, much bigger than all the other atom groups nearby. This large molecule could do something that no other molecule could do. It was able to take simple atoms and smaller molecules from the sea and make a new giant molecule just like itself."

"they formed a new type"

"molecule could do something that no other molecule could do"

- I feel like putting my arm on their shoulders and saying, "You just don't know, do ya?"
- Be BIG ENOUGH to ADMIT you JUST DON'T KNOW!

SLIDE – Eccles. 10:12-13

A fool's speech brings him to ruin. Since he begins with a foolish premise, his conclusion is sheer madness.

SLIDE – Sir Julian Huxley,

- Grandson of Thomas Huxley, known as "Darwin's bulldog". (Aldous Huxley's brother "Brave New World")

(When he died in 1975, he was considered the **PREMIER EVOLUTIONIST IN THE WORLD.**)

- Asked in a TV interview: **"WHY DO YOU THINK THAT EVOLUTION CAUGHT ON SO QUICKLY?"**

Amazing Reply:

SLIDE – Sir Julian Huxley

"We all jumped at the *Origin of the Species* because...
...the evidence uncovered by Darwin was so scientifically compelling that we were forced by pure reason, and by the scientific integrity of our calling as scientists to accept the facts as true."

but his response was . . .

SLIDE – Sir Julian Huxley

“We all jumped at the *origin of the species* because...the idea of God interfered with our sexual mores.”

- (mores = our sexual morality - “our sex lives”)

You mean, the origin of Evolution isn’t purely scientific?

You mean, it was anti-religious, anti-moral, anti-god right from the beginning?

Yet, there are many people who think that **Evolution has proved its case. Even Christians who believe this.**

- Today, there are Evolutionists saying, “*We don’t even have to present evidence any more. Evolution is a fact. It’s not only a fact, it’s the most thoroughly proven fact in all science.*”

Nonsense!

Let’s look at the **FACTS:**

SLIDE – Dr. Francis Crick: co-discoverer of DNA, for which he received the Nobel Prize.

- DNA is the most **complex molecule** known to man.
- Dr. Crick decided to determine... Q. What is the probability of DNA arising by random chance?

Remember, Evolutionists believe=world is 4.6 billion yrs old

- Dr. Crick determined it was **totally impossible.**
- Crick was not considering the possibility of a human being evolving . . . **Just one single cell.**

SLIDE – Scientists tell us that a single cell is more complex than a large city. The average human body consists of about 30 trillion cells.

- **Every large city** has thousands of man-made elements that are **not working properly.**
- But God has designed **human cells** to work **flawlessly.**
- So, **Dr. Crick determined** it was **TOTALLY IMPOSSIBLE FOR A SINGLE CELL TO EVOLVE.**
- Though **Dr. Crick was HONEST ENOUGH** to accept that, he was **STILL AN ATHEIST**, & **wasn’t willing to accept the idea of a CREATOR.**
- So, he **invented a whole new theory =**

SLIDE – “DIRECTED PANSPERMIA”

An advanced race, living on some other planet, revolving around some other sun, somewhere out there in space, sent space ships out into the cosmos containing sperm cells and “viola!”

Just one small question -

Q. Where did the advanced race come from?

A. A more advanced race?

Shortly after that theory emerged, another scientist of equal or greater fame, Sir Fred Hoyle of Cambridge University.

SLIDE - Sir Fred Hoyle of Cambridge University considered: What is the possibility of a living cell arising spontaneously, not in the supposed 4.6 billion year history of the earth, but in the entire history of the universe...over 20 billion yrs = $1:10^{40,000}$?

- Anything over $1:10^{50}$ will never happen.
- 10^{51} is ten times $1:10^{52}$
- 10^{52} is ten times $1:10^{53}$
- 10^{53} is ten times $1:10^{54}$

If 20 billion years isn't enough . . . take 20 trillion . . . 20 quadrillion / septillion / octillion . . . a hundred-million-billion-trillion times 1 . . . WHATEVER?

SLIDE - Sir Fred Hoyle wrote,

"To suppose that somewhere on this Earth, by spontaneous, random causes, the entire complexity of a living cell with all its complexity could have arisen by chance "is evidently nonsense of the highest order."

- **Evolution is dead coming out of the starting gate.**
- **They rang the bell . . . lifted the post . . . & their horse dropped dead.**
- Dr. Wernher Von Braun (one of the leading scientists in the formation of the U.S. Space program)

SLIDE - Dr. Wernher Von Braun

"One cannot be exposed to the law and order of the universe without concluding that there must be design and purpose behind it all. To be forced to believe only one conclusion - that everything in the universe happened by chance - would violate the very objectivity of science itself."

- **Q. How did the universe begin?**
- **The oldest source is still the best!**

SLIDE – Genesis 1:1

"In the beginning God created the heavens and the earth."

SLIDE – Colossians 1:16,17

...God created everything in heaven and earth. He made the things we can see and the things we can't see... Everything has been created through Him and for Him. He existed before everything else began, and He holds all creation together.

- **Darwin himself wrote about a MISSING LINK.**
- **Actually, we're NOT talking about a missing link**
- **There's a MISSING CHAIN between everything.**
- **We're talking about BILLIONS OF MISSING LINKS.**

- Darwin said, **“YOU SHOULD STUMBLE OVER THEM WHEN YOU STEP OUT OF YOUR BACK DOOR.”**

SLIDE – Darwin stated,

“Why, if species have descended from other species by insensibly fine gradations, do we not everywhere see innumerable transitional forms? Why is not all nature in confusion instead of the species being, as we see them, well defined?”

SLIDE – Darwin admitted that the number of transitional links "must have been conceivably great." The fact that there are none prompted him to conclude that this fact is *“the most obvious and gravest objection which can be urged against my theory.”*

SLIDE – Newsweek Magazine wrote,

“Missing links are the rule. The more scientists have searched for the transitional forms between species, the more they have been frustrated.”

SLIDE – Dr. Steven Jay Gould - American Evolutionist, Harvard Professor, Dr. Niles Eldredge - Curator, American Museum of Natural History

- Leading Evolutionists
- Atheists
- Opponents of Creationism

Said, *“there is a systematic absence of transitional forms”* - the so-called “missing links.”

Dr. Gould invented a **new form of evolution** -

SLIDE – “Punctuated Equilibrium” – “Evolution by Jerks”

Species came into existence suddenly. There was a burst of evolutionary activity. Then suddenly they ceased to exist.

This has also been called the **“Hopeful Monster” Theory**

I.e. The idea is basically that a **LIZARD LAID AN EGG, & a BIRD, FULLY DEVELOPED, FLEW AWAY.**

- **Gould says it HAPPENED IN A VALLEY, SOMEWHERE, SO IT’S UNDETECTED.**

• One of France’s most eminent scientists has called **EVOLUTION** =

• a **“FAIRY TALE FOR GROWN-UPS”**

• So here it is, *“Once upon a time, in a land, far, far away, there lived a lizard named “Jerk.”*

Q. Why is there NO FOSSIL EVIDENCE?

A. His answer: “BECAUSE IT HAPPENED SO FAST, THEY DIDN’T LEAVE ANY TRACE.”

- Now, **SCIENTISTS** have **GIVEN IT** a **MORE SOPHISTICATED NAME:**

SLIDE – Macroevolution Theory –

Because of the lack of evidence for gradual evolution in the fossil record, more and more evolutionists are adopting a new theory of evolution known as macroevolution.

The theory of macroevolution teaches that animals and plants changed suddenly from one kind to another without going through any gradual or transitional process.

- Excuse me?
- But **haven't Evolutionists always said, "the reason we CAN'T SEE EVOLUTION TAKING PLACE is because it HAPPENED TOO SLOWLY."**
- **Let me see if I have this right!**

SLIDE – “The reason we can't see evolution happening in the past in the fossil record is because it happened too fast and the reason we can't see it happening today is because it happens too slowly.”

- **HOW CONVENIENT?**
- **This ISN'T SCIENCE . . . this is SILLY!**

SLIDE - Interactive Question #1

Q. How did mankind come into existence?

- A. Humans evolved from monkeys
- B. Humans were created in the image and likeness of God
- C. Both A and B
- D. I have no idea

Let's take a look at some people's **ideas of ancient man?**

SLIDE – Neanderthal Man

Scientists claim he was severely deformed by age and arthritis.

Problem: His brain size was larger than the average brain of modern man. So, “his brain evolved smaller”

SLIDE – Pittdown Man

Scientists determined its teeth had been filled to make them fit, and the bones had been stained to make them appear old.

In the End – they acknowledged “whole thing was a scam”

SLIDE – Nebraska Man

The discovery consisted of no more than a single tooth, which later turned out to belong to an extinct pig.

- **The only place “CAVE MEN” EXIST is in GEICO COMMERCIALS!**
- Actually...there is significant evidence showing: man is becoming a monkey!

SLIDE – Mark Twain – American Humorist and Author

“There is something fascinating about science. One gets such wholesale returns of conjectures (assumptions) out of such a trifling investment in facts.”

- Think this through...**Evolution destroys the whole significance of mankind.**
- **It TURNS a PRINCE INTO A FROG!**
- **We were CREATED in the IMAGE & LIKENESS of GOD . . . not MONKEES!**

- That's why we **DON'T VALUE LIFE . . . WHY RELATIONSHIPS are DISPOSABLE . . . BABIES are ABORTED . . . SEX is TRIVIALIZE . . .**
- **WE DEVALUE . . . WE DEPERSONALIZE & THEN WE DISCARD**

SLIDE - Romans 1:20

From the time the world was created, people have seen the earth and sky and all that God made. They can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse whatsoever for not knowing God.

SLIDE - Romans 1:20

They became vain (empty) in their imaginations (speculations); their foolish heart was darkened; professing themselves to be wise, they became fools.

SLIDE - 2Timothy 3:7

...always learning and never able to come to the knowledge of the truth.

SLIDE – Psalm 8:3-4

When I consider the heavens what is man that You are mindful of him?"

(Paul Wagner, anthropologist, Dr. Leaky, closed the doors, 2,000 anthropologists, "WE HAVE NOT PROVEN OUR CASE. WE NEED TO FIND THE EVIDENCE.")

LET'S PRAY!
